OBJECTIVE

Obtain a fulltime personnel management position within a non-profit organization, which allows me to utilize my non-profit, for-profit, and government management and computer experiences along with my technical knowledge and background, while allowing me to help shape and accomplish the goals and vision of the organization.

CAREER SKILLS/QUALIFICATIONS

Major leadership and management positions:

- President and Founder of RBK Publishing (2002-Present).
- President and Co-Founder of Columbia Community Foundation (2008-Present).
- Vice President of Columbia Chamber of Commerce (2007-2008) and Trustee (2006).
- Treasurer and Co-Founder of Aikey Foundation (2004-Present) and President (2003-2004).
- Executive Director and Co-Founder of InfraGard Connecticut (2001-2003).
- Project manager for various Electric Boat Corporation (EBC) web and network security projects requiring subcontractor management including a multi-million dollar PC acquisition project and a half million dollar Manufacturing and Production Engineering project (1996-2005).
- Project manager for creating an EBC web-based training database system (1996-2001).
- Project manager for creating an EBC streaming digital video library distant learning system (1999-2001).
- Project manager for web-enabling the EBC library system through an EOS DataTrek software upgrade (1998).
- Lead Corporate Webmaster in charge of the administration, development, maintenance, and policy creation of EBC's Intranet and Internet web infrastructure (1995-2005).
- Managing Editor and Co-Founder of <u>Crossroads</u>, the Association for Computing Machinery's first international student magazine and first electronic publication (1994-1996).
- Co-Founder of first undergraduate course in virtual reality research at Clarkson University and second such course in the USA (1994).

EXPERIENCE

President and Founder -- RBK Publishing Inc. in Columbia Station, OH (http://www.rbkpublishing.com/) (09/2002-Present).
